#### Strategic Plan

# General Hospital

**Mission:** The mission of General Hospital is to provide quality health services and facilities for the community, to educate patients, and to equip patients and community members with the knowledge they need to live the healthiest life possible. We strive to provide excellent service to our patients at the best value.

Our scorecard serves as a way for us to manage and track the impact we have on our patients and the community. It is our guide when making decisions, planning our budget and creating initiatives.

 Provide Responsive and Accessible Services	 Offer Respectful and Culturally Sensitive Treatment and Services
 Support Successful Health Outcomes	 Increase Revenue
 Promote ourselves as the Leading Health Services Provider	 Develop a Competent Workforce
 Hire the Right People	 Encourage and Equip People to Better Manage Their Health
 Budget and Manage Resources Appropriately and Efficiently	 Be Ethical, Transparent, and Accountable
